Good Morning –

My Admin fielded a call this AM from an irate caller on Treasure Island. He was verbally abusive to her just so you all are aware. Unhappy with EPA, said there was radiation in his home, blamed EPA for not telling him. Said he was going to call the Administrator's office to demand action. From what was relayed to me, Faith handled the call appropriately trying to direct him to someone on our staff. He hung up on her. Don't know where he is likely to land next, but suggest it be Region 9.

Thanks in advance.

Caller # is Personal Phone / Ex. 6
